

# DOMAINE LA PATELLE BOUT D'VIN

## TECH SHEET

Domaine La Patelle on the outskirts of Arbois is run by former cooper Pascal Thereau. As well as making barrels for many years, he also worked for Jura legend Stephane Tissot. In 2021 he had the opportunity to set up his own project La Patelle on the site of previous owners, Domaine des Bodines.

Bout D'Vin is a 100% Trousseau wine made from grapes around the winery (ex Bodines parcels). Lots of peppery aromas with dark cherry and herbs, the Patelle reds have an earthy, dark fruit profile thanks to the whole bunch winemaking.
