

# DOMAINE ROSTAING-TAYARD

## LE COEUR DES HOMMES

Emmanuel Rostaing-Tayard is based in a relatively unknown region just outside of Lyon called 'The Côteaux du Lyonnais'. It's just beyond Northern Rhone and just south of Beaujolais, sandwiched between the two regions. The influence of Beaujolais can be felt here with grape varieties like Gamay and Chardonnay and there are Granitic soils with blue stones which you also find in some of the top Beaujolais crus.
